Voices of Chiefs Point

Join us for this very special exhibit opening, as guest curator and Saugeen First Nation Member Dr. Bimadoshka Pucan brings us voices from the past with Anishinaabeg songs and stories recorded in 1938 by Robert and Eliza Thompson. This oral history, given in Anishinaabewemowin and English, recorded onto wax cylinders and discs was rediscovered and digitized leading to this exhibit, now showing for the first time in Bruce County. Learn more about this amazing journey and Anishinaabe culture as we open "Voices of Chiefs Point".
