Last year
26,958
people found support through
YMCA Community Initiatives and
Employment Services offices
throughout Grey-Bruce.

These are your friends, family,
nearghers and co-workers. At the
YMCA, we know that when everyone
has access to meaningful job
opportunities and safe affordable
housing, the whole community wins.

Which is why the YMCA of Owen
Sound Grey Bruce continues to ensure
that every individual has access to
the essentials needed to learn, grow,
thrive and belong.
