To all Ontario Fire Chiefs

Dear Fire Chief,

I am pleased to announce that Keith Wells will be joining our team as the Assistant Deputy Fire Marshal of Field Advisory Services effective June 5, 2019.

Keith comes to the Office of the Fire Marshal and Emergency Management with extensive experience in fire prevention and most recently was leading the Fire Prevention Division of the Georgina Fire Department. He is known by colleagues throughout York Region for his collaborative approach and is active with the Ontario Municipal Fire Prevention Officers Association.

Keith's firsthand experience both on the floor and as a fire prevention officer combined with his collaborative attitude will prove to be extremely beneficial in his position. He will be concentrating on working with our partner agencies in achieving the shared mission of a Fire Safe Ontario, overseeing Field Advisory Services with a focus on customer service, and promoting fire protection services within unincorporated Ontario.

Congratulations, Keith.

Sincerely,
