Hello ACH Stakeholders!

It's September and that means it's time to go back to school! It also means it's time for another Arts, Culture and Heritage expo event!

This year we have decided to do something different again with a focus on promoting opportunities for youth to get involved in arts, culture and heritage within the community. With that in mind, we will be organizing our expo in coordination with KDSS to bring ACH stakeholders directly to the students in a lunch-hour expo event at the school!

The **ACH Lunch and Learn** will take place on **Friday, October 4th** from 11:33 am to 12:33 pm to coincide with the school's lunch hour.

The goal of this event is to show KDSS students that there are many opportunities for them to explore arts, culture and heritage in our community. **We are looking for stakeholders who offer ACH opportunities for teens** (as members, students, volunteers etc.) to send **one student member** and **one community member** as delegates for your organization. You are welcome to bring posters, handouts, props etc. as long as they don't take up too much space, or you can just bring yourselves and talk about what it is that your group does and how teens can get involved.

To register, please contact Kincardine Tourism via email at tourism@kincardine.ca or by calling 519-396-2731.

Sign up will be on a first-come, first-served basis, so register ASAP to reserve your spot. Final arrangements with the school on what space we will have is still being confirmed, so the number of spots available will be known shortly.

The event will offer free dessert! Also, fruit. As well, members of the ACH Committee will be handing out \$5 Tim Horton's gift-cards to the first 50 students who complete a survey on youth opportunities in our community.

We ask that you please circulate/share this email within your networks.
