

POLICY

POLICY NO.: GG.1.3
SECTION: GENERAL GOVERNMENT – COUNCIL
TITLE/SUBJECT: FLAG PROTOCOL
ADOPTED DATE: June 15, 2005
REVISION DATE: November 21, 2007
September 19, 2018
June 20, 2022

1. PURPOSE

The Municipality of Kincardine recognizes the symbolism of displaying flags as a visual statement that speaks to the solidarity that is shared by all citizens. This policy allows for the municipality to honour individuals and recognize significant efforts of groups and organizations within the community through the half-masting and displaying of community flags/flag raising.

This policy will provide a framework to ensure that flags in the Municipality are flown and displayed in an appropriate and consistent manner.

2. SCOPE

This policy applies to all flags flown and displayed at Municipal facilities and spaces in Kincardine. The CAO's Department will oversee the functional aspects of this policy in accordance with direction from this policy.

The Chief Administrative Officer has the authority to make minor changes and updates to the Policy.

3. PROCEDURE

3.1. Displaying of Flags/ Flag Protocol

The following protocol outlines the flag protocol with respect to the displaying of flags:

- Only one flag is to be displayed per staff;
- Flagstaffs should be of the same height when there is a grouping of flagstaffs;
- Flags that are flown together should be approximately the same size;
- The Canadian Flag should be given the place of honour and as such no flag should be flown or displayed above the Canadian Flag.

Subject to the number of available flag poles, priority should be given to the following flags in the following order:

1. The National Flag of Canada
2. The Provincial Flag of Ontario

3. The Municipal Flag of the Municipality of Kincardine
4. Alternate Flags

Flags shall be displayed in accordance with the Position of Honour Etiquette of the National Flag of Canada as established by the Government of Canada.

3.2. Half-Masting Flags

Flags are flown at the half-mast position as a sign of respect and condolence or to commemorate significant dates. The flags flown at the Municipality of Kincardine and its properties are flown at half-mast through this specific application:

- On the death of the Mayor or a Member of Council;
- On the death of a current Municipality of Kincardine employee; and
- On the death of a former Mayor and/or Reeve.

Flags will also be flown at half-mast for:

- The death of the Sovereign or members of the immediate Royal Family, the Governor General, the Prime Minister, a former Governor General or a former Prime Minister;
- The death of the Lieutenant Governor of Ontario or the Premier of Ontario; and
- The death of the local Member of Parliament or local Member of Provincial Parliament.

Flags shall be flown at half-mast annually on the following dates:

- National Day of Mourning for Persons Killed or Injured in the Workplace (April 28)
- National Day of Truth and Reconciliation (September 30)
- Remembrance Day (November 11)
- National Day of Remembrance and Action on Violence Against Women (December 6)

3.2.1. Process for Half-Masting Flags

The CAO's Department will be responsible for notifying all departments regarding the half-masting of flags with respect to the location, reason, and the duration that the flag will be flown at half-mast. Department contacts responsible for facilities and Municipal properties will be required to lower and raise the flags as per the CAO Department's notification. The CAO Department will maintain an inventory of all flags flown at the Municipal Office and its corporate properties.

3.3. Community Flags/Flag Raising Requests

The community flag poles will be used for the display of flags or flag raisings. Displaying flags or flag raising enhance public awareness.

Request for displaying flags and flag raisings, will be approved for:

- Non-profit organizations;
- Recognition of an important visit to the Mayor and Members of Council; and

- Public awareness campaigns.

Requests will not be approved by the Municipality should they:

- Be for political parties or political organizations;
- Be for religious organizations or the celebration of religious events;
- If the intent is contrary to Municipal Policies or By-laws;
- If the intent is to defame the integrity of Council; and
- If the event or organization has no direct relationship to the Municipality

It is important to note the following provisions for community flags/flag raising requests:

- Approvals and use of the community flag poles will be granted on a first come first served basis. The CAO's Department may recommend alternate locations for the groups and organizations not given priority at their preferred location;
- An organizations' flag shall be flown no more than once per calendar year; organizations shall be required to submit flag raising requests on an annual basis;
- A flag shall be flown for a period of up to two weeks, or for the duration of the associated event, whichever is less;
- The CAO will have discretion and authority of deciding the time frame and frequency of the requested flag flying;
- Flags shall be raised and lowered on those business days that the Municipal Office is open;
- Community flags/banners shall not be larger than the standard size (36inches x 72inches);
- Organizations are responsible for providing the flag for flying to the CAO Department at least one (1) week prior to the flag raising date; and
- Any expense as a result of the flag raising request shall not be incurred by the Municipality, including the purchase of the flag.

3.3.1. Process of Displaying Community Flags/Flag Raising

Groups or organizations requesting a flag-raising are required to submit their request to the CAO's Department at least 4 weeks prior to the date of the requested flag-raising. When submitting a "Flag Flying Request Form" hereto attached as Appendix A to this policy, the organization must provide the following information to the satisfaction of the CAO's Department:

- Organization name, address, contact, title, e-mail address, telephone, and fax number;
- Proposed date and time;
- Identify whether request is for displaying a flag and/or a flag raising; and
- Type of flag to be raised.

In addition to providing the Flag Flying Request Form, organizations must provide the Municipality with a flag created specifically to represent their event; a national flag will not be flown to represent an event. The Municipality will not be responsible for storing of

the flag. Requestors will be responsible for dropping off the flag one week prior to the flag raising date and picking up after the flag flying.

3.4. Location of Municipally Owned Flag Poles

The Municipality of Kincardine owns a number of flag poles located throughout the Municipality. The following flag poles are not recognized as community flag poles and are not open for flag flying other than National and Municipal Flags:

- Harbour Street Pole (MacPherson Park, Kincardine)
 - One Flag Pole
- Davidson Centre Splash Pad (601 Durham Street, Kincardine)
 - Two Flag Poles
- Municipal Administration Centre (1475 Concession 5, Kincardine)
 - One Flag Pole

The Municipality of Kincardine has three community flag poles located within the municipality. These flag poles are located at:

- Davidson Centre Track (601 Durham Street, Kincardine)
 - Two Community Flag Poles
- Kincardine Library (727 Queen Street, Kincardine)
 - One Community Flag Pole
- Tiverton Fire Hall (15 McLaren Street, Tiverton)
 - Two Community Flags Poles

3.5. Disposal of Flags

When a flag becomes worn, noticeably faded or otherwise unfit for service, it must be disposed of in a dignified manner.

3.6. Communications

When flags are lowered to half-mast, notice will be provided to all staff, Council and posted onto the appropriate Municipality media outlets including the website stating the purpose of the flag lowering.

Additional notification to the media and/or advertising related to the flag flying is the responsibility of the requesting party.

3.7. Winter Operations

During the winter months, it is at the full discretion of Municipal Staff to determine where and when flags will be flown. Determining whether flags will be flown is evaluated on the general location and weather conditions. Flags are generally not flown during the months of January to March to preserve the flags as blistering winds and other winter weather conditions deteriorate the flags faster.
