PETITION TO THE MAYOR AND COUNCIL OF THE MUNICIPALITY OF KINCARDINE

18MAY2023

Thank you for taking the time to review the following petition. We hope that Council will do what is right for our community, which will serve as a strong precedent for the preservation of public land elsewhere in the Municipality of Kincardine.

I/We the undersigned, **petition the Council of the Municipality of Kincardine to take the following actions** regarding the Birchwood Trail and it's access points:

1. Public Walkway between 207-209 Birchwood Avenue

- The Birchwood Community wants the simple, safe and inexpensive solution of erecting a permanent 'Public Walkway' sign between 207-209, at the Birchwood Avenue roadway.
 - This would easily be accomplished by removing a few obstructing trees, adding mulch/groundcover on the walkway all the way to the west of the private property boundary before heading south (to the west of 207 Birchwood Avenue), to the gentle grass slope directly behind 207 Birchwood Avenue. This is where it would join up with the established footpath at the lower berm.
- There should also be groundcover/a footpath straight across on the upper berm, on public property, to directly behind 203 Birchwood Avenue, where it can join with the established crushed stone/paving stone walkway that leads down to the lower path
- NOTE - The community does NOT want the Municipality to waste tax dollars erecting a staircase or fence forcing pedestrians down to the lake.

2. Public Property west of 201 to 209 Birchwood Avenue

- The Birchwood Community wants permanent fencing (wood posts with rope is sufficient), to clearly demarcate the western private property boundary line on the upper berm from south of 201 Birchwood Avenue to the north of 209 Birchwood Avenue.
 - This would eliminate confusion and confrontations with those adjacent landowners who try to claim that public property as being their own.
- NOTE – the survey work was already paid for by the Municipality and completed by Culbert's Surveyors out of Goderich a number of years ago. This previous work confirmed that all iron stakes still exist and accurately delineate the private property boundary. Despite this, some of the adjacent property owners continue to move the white wooden markers identifying where the iron bars are.

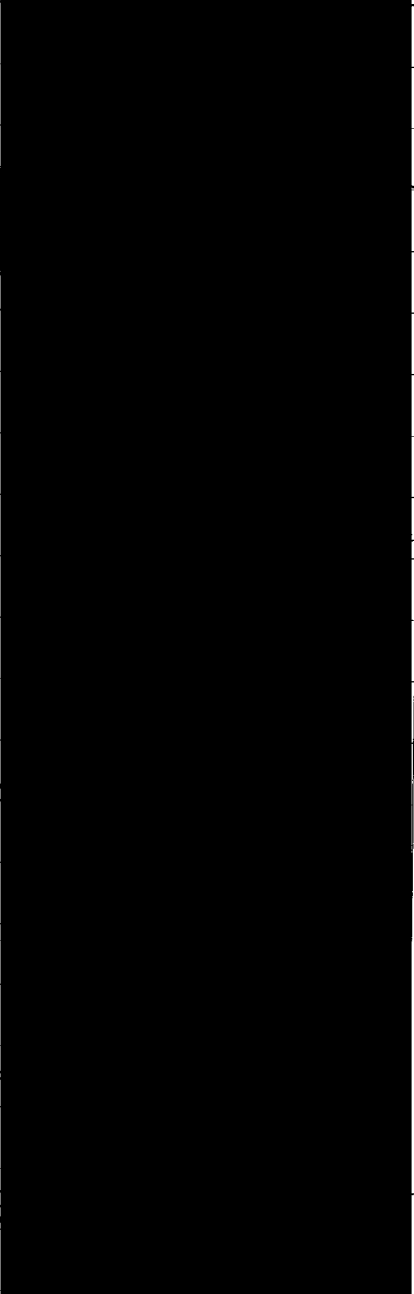

We appreciate your time and effort in reviewing our petition. We believe the above actions will set the precedent that public property, municipal trails and the lake shoreline is to be enjoyed by everyone. Please help us to maintain public access to Lake Huron and the historic Birchwood Trail – a benefit to many future generations of the KinHuron and Lake Highlands subdivisions.

Sincerely,

The Concerned Residents of KinHuron and Birchwood Area - signature page attached.

By signing the petition, I hereby acknowledge that this petition will become a public document at the Municipality of Kincardine and that all information contained in it will be subject to the scrutiny of the Municipality and will be publicly available.

Questions about the collection of personal information contained in this petition should be directed to the Clerk, Municipality of Kincardine, 1475 Concession 5, RR #5, Kincardine, Ontario N2Z 2X6 Phone 519-396-3468 ext. 7112.
