

Repatriation Expo

Dublin, Ireland

October 21, 2023

Hosted by

About the Repatriation Expo

OBJECTIVE

To collectively represent Canadian healthcare opportunities while promoting our individual communities to Canadian International Medical Students who are interested in returning to Canada to practice.

- Engage with over 300 Canadians who are studying in 6 of the Irish Medical Schools in Dublin, Cork, Galway and Limerick.
- Gather leads to track students on their journey into residency
- Promote your community/province as a destination of choice for residency programs
- Show our Canadians that we WANT THEM BACK when they graduate

3 DAYS OF INTERNATIONAL RECRUITMENT

CaSPR & Atlantic Bridge have aligned the expo with the RCGP Annual Conference in Glasgow, Scotland to create a cost effective approach to bring our members 3 days of international recruitment.

*You not are required to attend RCGP to attend the Repatriation Expo.

RCGP Conference

For quick reference, here is the information regarding the RCGP Conference.

** Please note CaSPR is not associated with this event.

RCGP Conference

RCGP Annual Conference and Exhibition is the conference for organisations wanting to influence and speak to GPs.

Sponsorship and exhibitor packages include speaker presentations integrated into the main programme as well as mini theatres in the busy exhibition hall where all delegates meet for refreshments and socialising with peers.

Not only will you gain strong visibility for your company/ brand during the event, but also exposure to the 52,000 RCGP members through delegate marketing and post event when the conference is available On Demand.

RCGP Annual Conference & Exhibition puts you, the exhibitor, in a room with 1000+ GPs and primary care HCPs. Join us to build a quality database, increase your sales and keep up to date with the needs of your primary care customers. The conference programme is designed to allow plenty of opportunities for delegates to spend time learning more about you and your products/services in the exhibition hall.

With over 100 exhibitors every year, this is a must attend event. Exhibitors can maximise their exposure at the conference by also taking advantage of our many sponsorship opportunities.
