RE: Requesting your support for Bill 21, Fixing Long-Term Care Amendment Act (Till Death Do Us Part), 2022

September 25, 2023

Dear Mayor Kasenberg,

I am writing to you today to share an update on Bill 21, Fixing Long-Term Care Amendment Act (Till Death Do Us Part), 2022, and to request your support for this important legislation.

Bill 21 amends the Residents' Bill of Rights set out in section 3 of Fixing Long-Term Care Act, 2021 by adding the right of residents not to be separated from their spouse upon admission but to have accommodation made available for both spouses so they may continue to live together.

The Act was inspired by Cambridge resident Jim McLeod, who will have been separated from his wife of 65 years Joan, on September 17, 2023. Nearly 6 years later, Jim continues to champion spousal reunification. He often says that he will talk to anyone and has two giant binders full of his advocacy work on the Bill. Last week, he told me that his heart is breaking because of his separation from Joan. He has brought other seniors who are separated from their spouses into the advocacy – you cannot sit with these folks for any amount of time and not care deeply about this legislation.

I know that you value the many contributions that older adults have made to Waterloo Region, and care deeply that they can live their final years with dignity and love. **I am hoping you will consider bringing a motion forward to your Council, in support of the Till Death Do Us Part Act.** Your support will help us to keep attention on this important legislation, so that it can finally be called to the Standing Committee on Social Policy – one step closer to Royal Assent.

I would be happy to discuss the Bill with you further, via phone call or an in-person meeting at your convenience. Thanks in advance for considering my request.

Sincerely,

A handwritten signature in black ink that reads "Catherine Fife".

BACKGROUND:

On November 15, 2022, the Till Death Do Us Part Act, passed second reading in the Ontario legislature after being [introduced for the third time in September 2022](#). The bill was then referred to the Ontario Legislature's Social Policy Committee. You can view highlights of the second reading debate here: <https://www.youtube.com/watch?v=mYRlgQgDe2k>

I have been pushing for the Standing Committee on Social Policy to schedule a time to begin the work of reviewing Bill 21 since November 2022. **Today marks 286 days since the Act passed second reading at the Legislative Assembly of Ontario.** Unfortunately, the Bill has yet to be called to committee.

Bill 21, which was formerly Bill 153 and 95, respectively, had passed second reading and was sent to the Justice Committee in December 2019, but was wiped off the order paper when Premier Ford prorogued the house in 2021. It was reintroduced early 2022 but did not have time to progress before the election.

Since I first introduced this Bill in 2019, the number of people who've reached out to my offices with heartbreaking stories of couples entering long-term care who are torn apart has skyrocketed. Simply put, Ontario seniors deserve dignity in care and should have the right to live with their partner as they age. Of note, Nova Scotia passed similar legislation, titled the [Life Partners in Long-Term Care Act](#) in 2021.

Following many meetings with stakeholders, it's clear that "care campuses" which offer different levels of care (independent, assisted living and long-term care) are the progressive model for investing in quality care for Ontario's aging population. Care campuses are an essential element to keeping couples together as they often age at different rates. This level of choice has been brought to my attention as especially important to rural and northern municipal leaders across Ontario. The care campus model for seniors housing that builds different levels of care has unique financial savings that will be critical as we grapple with a rapidly aging province.

We need the Bill to be called to the Standing Committee on Social Policy as soon as possible. We know that couples who are separated across Ontario cannot wait any longer for this legislative change to be made.
