

Date Issued: _____

The Municipality of Kincardine is issuing a

Pre-Cautiounary

Boil Water Notice

Due to the frozen water service the Municipality of Kincardine is issuing a Pre-Cautiounary Boil Water Notice within your property. This is being issued as a temporary line/garden hose/ bulk drinking water containers may contain contamination and proper disinfection procedures may not have been used prior to connection. It is recommended if using for drinking water to bring water to a rapid boil for at least one minute before use or use an alternate source for drinking water purposes.

This notice has been issued as a precautionary measure and is not a direct indication of contamination.
