In addition, we will be holding our annual Tag Days on Thursday, June 27 and Friday, June 28 at various locations across the Municipality and are seeking Council's approval for this event. Last year we raised over \$11,000 as our volunteers were out with our famous bedpans.

In November, the Auxiliary donated \$40,000 to the Foundation for the purchase of equipment in the hospital. This year we committed to purchase:

Casting Cart

Trauma Stretcher

Ring Cutter

Broda Chair

Patient Bed

Vital Signs Machine

Phlebotomy Chair and Wheelchair Cushion.

Our first donation to the Foundation was in 1995. Since then, we have donated \$816,205. As you can see, we are an active Auxiliary that is committed to support our Kincardine Hospital.

Thank you for supporting our Tag Days in June.
