Hello Everyone,

Bruce County has issued a [news release update on the County Development Charges](#).

January 05, 2024

Bruce County Development Charges (DCs) are now in effect as of January 1, 2024. The County did not receive any appeals to the DC By-law by the appeal period deadline of January 2, 2024.

Development Charges are being implemented on a graduated basis over a 10-year period, with only 25% of the charge being in effect in 2024.

Collecting Development Charges from new development will help pay for the new growth-related infrastructure and will reduce the need to increase property taxes.
