

Worksheet 7: Community Services Profile

Consider community service agencies, organizations or associations that provide services that support the fire department in the delivery of public fire safety education, Fire Code inspection and enforcement and emergency response. This may include services in-kind, financial support, provisions of venues for training, increased access to high-risk groups in the community, and temporary shelter for displaced residents following an incident.

Community Services Profile Risks		
List the community service agencies and the types of services they can provide.		
Community Service Agencies	Types of Assistance They Can Provide	Issues/Concerns
Canadian Red Cross	Temporary shelter, clothing, food following an incident.	None
Lions Club	Services in-kind - labour	None
