

Expression of Interest for Town Councillor, Ward 1, Kincardine

Dear Members of the Selection Committee,

I am writing to express my interest in the vacant position of Town Councillor for Ward 1 in Kincardine. My family and I relocated from Saskatchewan to the Kincardine area in 2020, and since then, we have been warmly welcomed by this vibrant community. I am eager to give back by serving as a Town Councillor, where I can contribute to the continued growth and support of our town and surrounding area.

I bring a diverse background that I believe will be beneficial in this role:

1. **Construction and Construction Safety:** With extensive experience in the construction industry, I have developed a strong understanding of project management, safety protocols, and regulatory compliance. My expertise ensures that community projects are executed efficiently and safely, prioritizing the well-being of all residents.
2. **Emergency Response:** My background in emergency response has equipped me with the skills to handle crises effectively. I am trained to remain calm under pressure, make informed decisions quickly, and coordinate with various agencies to ensure public safety.
3. **Hospitality Industry:** Having worked in the hospitality industry, I understand the importance of creating a welcoming environment. This experience has honed my customer service skills and taught me the value of community engagement and support.
4. **Current Position:** I currently serve as the President of 7Gen Industrial, where I lead a team dedicated to providing innovative industrial solutions. This role has further developed my leadership, strategic planning, and community engagement skills.

My motivation for seeking this position is rooted in a desire to learn more about our community and to serve in a capacity that fosters a supportive and inclusive environment. I am committed to working collaboratively with fellow councillors and residents to address the needs and aspirations of our town.

Thank you for considering my application. I look forward to the opportunity to contribute to the continued success and harmony of Kincardine.

Sincerely,

Jason Munro
