# CULTURE DAYS

Hello Deputy Mayor Andrea Clarke,

Culture Days have begun! During this annual initiative, free events that celebrate arts and culture take place in-person and virtually right across Canada.

**In participation, we're offering FREE all-day Museum admission on October 5th, with special programming that encourages guests to reflect on our new exhibit, Indian Day Schools: The National and Local Story.**

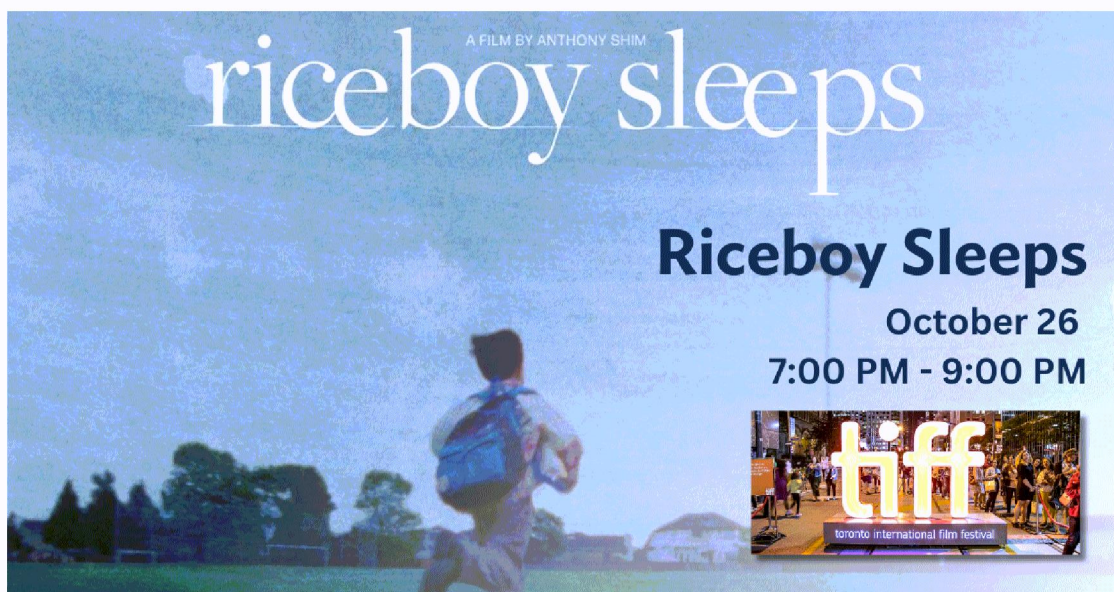

Guests will have a chance to engage and interact with the exhibit with a local Saugeen Ojibway Nation community member to learn deeper insights into the broader history of Indian Day Schools in Canada and the legacy of their local impact, with seven schools located in Bruce County.

This event is FREE to attend. Preregistration is encouraged.
