Land Use Planning Workshops for Elected Officials

Local planning is dynamic and challenging. As an elected official you will often find yourself dealing with uncertainty and complexity. As you have settled into your role as a municipal councillor, your understanding has grown on what is expected of you.

AMO's planning workshops support our members in a number of important ways: increased insight, knowledge and strategic skills.

Our ***Foundations in Planning*** builds foundational knowledge and insight into planning legislation and municipal requirements and roles.

Our ***Advanced Land Use Planning- A Deeper Dive*** training puts your foundational knowledge to test as you work through case studies and lessons learned to build your strategic management and decision making on local planning issues. This training is specifically designed to support Ontario's elected officials in strategic decision making and management of the many facets of land use planning.

Take advantage of these workshops to build your sophistication on the complexities of local land use planning.

For a full description, and to register visit [AMO Education](#).
