Municipal Codes of Conduct: Essential to Good Governance

Municipal Codes of Conduct are extremely valuable for local councils to establish a general standard to ensure that all Members of Council share a common basis for acceptable conduct, and to which all Members are expected to adhere to and comply with.

As AMO and municipalities await provincial direction, your Association has developed a course that helps and guides municipal leaders in:

- developing or revitalizing your existing code of conduct,
- establish buy-in or ownership at council,
- developing expectations on ethical behaviour and how to ensure adherence,
- how to address and manage breaches, Integrity Commissioners as a supporting resource and so much more.

This training will be delivered by a leading Ontario lawyer in the municipal sphere including in that of integrity commissioners.

Space is limited. See full workshop details [here](#).
