Good afternoon,

I hope that this email finds you warm and safe!

Bruce County is excited to announce that we have launched the Smart Commute Program in our Region.

Smart Commute is a program that helps residents and employers learn about travel options and allows an individual to meet up with another to co-ordinate sharing a ride. We have had great interest and have 9 businesses enrolled and counting.

We will be hosting a Winter Campaign Contest and would like to offer a \$50.00 prize. I am reaching out to you today to see if you offer "community dollars". As we would like to encourage shopping locally, and we would like to have a few options for the winner depending on their geographical location.

If you could kindly respond to let us know if you offer the community dollars that would be greatly appreciated.

I look forward to hearing from you.

Warmest Regards
Jen
