

Kincardine 2025

City Nature Challenge

SAVE THE DATES:

APRIL 25 - 28, 2025

The City Nature Challenge is a friendly annual international challenge to see which city can record and upload the most observations of wildlife species using the free iNaturalist platform.

Everyone is encouraged to find and photograph plants and animals in backyards, parks, schoolyards - anywhere nature is found within the municipality of Kincardine.

Watch for details on Facebook and local news outlets in the coming weeks.
