**Key Points of Delegation (Please attach full presentation) \***

The purpose of this delegation is to share the powerful impact Kincardine Pride has had on fostering inclusion, visibility, and belonging for Two-Spirit and LGBTQIA+ community members and allies. Rooted in community feedback, this presentation highlights the voices, experiences, and hopes of those who engage with Pride—affirming that our work is creating meaningful, positive change.

By presenting survey data and community insights, we aim to demonstrate the ongoing need for inclusive, responsive programming, and to advocate for continued support from local leadership and community partners. We are also here to amplify the need for safer, more accessible spaces, especially in small-town and rural contexts, where queer and trans folks often face increased barriers.

Ultimately, this presentation reflects a commitment to equity, collaboration, and community care. It is a call to action to work together in creating a Kincardine where everyone—regardless of identity—is seen, celebrated, and empowered.
