Subject: [Promotional] New Date for AMO's Important Trade and Tariff Forum'

NEW DATE - October 24, 2025

**AMO Forum on Trade, Tariffs, and the Municipal Role in
Long-Term Economic Growth**

Sheraton Centre Hotel Toronto-123 Queen Street West

The first months of 2025 have brought a lot of change and uncertainty – a provincial election, a federal election, and US tariffs that have significantly upended the long-standing western economic order.

The landscape continues to rapidly shift. On October 24th, AMO's Trade and Tariff Forum will take stock of how US tariffs are impacting local communities in the short-term and how we can build bridges with other sectors and orders of government to build a more productive and resilient Ontario economy.

To learn more about what AMO is doing to support the municipal sector through this time of uncertainty, check out the [AMO Trade & Tariff page](#) for new reports, resources, and advocacy updates.

Program updates coming soon.

Accommodation details and AMO's preferred rate booking link will be provided soon – stay tuned!
