## AMO Municipal Trade and Tariff Forum

June 6, 2025

Sheraton Centre Toronto, 123 Queen Street West

Municipal governments and Ontario businesses will be core to Ontario's short-term trade and tariff risk mitigation as well as the foundation of longer-term economic resiliency and diversification.

The Association of Municipalities of Ontario (AMO) will bring together municipal and business leaders to discuss how local governments and industry can leverage their collective strengths to support provincial economic strength, including:

- Leveraging municipal purchasing power to support economic growth
- Continuing to build Ontario through uncertain times to drive long-term productivity
- Better supporting local economic development and investment attraction

The AMO Municipal Trade and Tariff Forum will provide municipalities with the best information and evidence to guide their response to this unprecedented uncertainty.

Reflecting the importance on this must attend Forum, a price adjustment for registration has been applied at \$375.00.

### **Registration Information**

\$375.00 plus HST, the deadline to register is May 30, 2025. [Click here to register.](#)

## **AMO Municipal Trade and Tariff - Program Highlight**

**June 6, 2025**

**Sheraton Centre Toronto, 123 Queen Street West**

Municipal governments and Ontario businesses will be core to Ontario's short-term trade and tariff risk mitigation as well as the foundation of longer-term economic resiliency and diversification.

Join the Association of Municipalities of Ontario (AMO) and your colleagues to discuss how local governments, and industry can leverage their collective strengths to support provincial economic strength.

### **Program Highlights:**

•**What does the trade war mean for municipalities?** Municipalities are grappling with the uncertainty of rapidly changing trade disruption and tariffs. This session provides a clear understanding of the current landscape and offers a valuable opportunity to ask questions about local impacts. Gain the knowledge you need to navigate these challenges effectively.

•**Building Ontario in Uncertain Times:** This panel will explore the challenges facing the construction and infrastructure sector. Hear from experts on the vital role municipalities play in finding solutions and driving continued infrastructure development across Ontario despite current uncertainties.

•**The Changing Approach to Procurement:** Municipal procurement can play an important role in supporting Ontario’s trade goals. Panelists will discuss the current state of procurement and respond to audience questions.

•**Seizing Opportunities:** This panel discussion will share opportunities and ideas for how to strengthen Ontario’s communities beyond the current crisis.

**Registration Information**
