To: Council of Municipality of Kincardine

Dear Mayor Eadie & Council Members,

Thank you for your generous grant which we recently received. The grant will enable the band to continue to practise and perform top quality musical entertainment throughout the municipality.

At the recent Kiwanis music festival in Walkerton, the band was awarded a gold medal along with very nice comments from the judge.

We look forward to performing in the coming year.

Thanks again for your support.

Yours truly,

Bonnie L Phillips

on behalf of the
Kincardine Community Concert Band
