

THE CORPORATION OF THE MUNICIPALITY OF KINCARDINE

Subject: Bag Tag Program COVID-19

FYI Report Number: Public Works-2020-13

Meeting Date: Monday, April 6, 2020

Report:

Due to influx of requests from the public to eliminate the bag tag program during the COVID-19 State of Emergency, staff has reached out the Municipalities within the County of Bruce.

For the most part Municipalities are continuing to run their programs status quo, apart from Saugeen Shores who is providing two weeks of tags to those who are required to quarantine due to recent travel or illness. In lieu of payment, the tags would be exchanged for a donation to the food bank. Currently in Kincardine bag tags are available for purchase at all local grocery stores and many other various locations.

The elimination of the program in its entirety even for a short period of time would result in a significant loss of revenues.

Staff are still investigating options and a finalized report will be forthcoming.
