Dear Museum Members,

First of all I hope that you and your families are all keeping well. While these are extremely challenging times it is important that we all adhere to the direction of our Public Health and government officials and do our part to help stop the spread of COVID19. As you know the County of Bruce moved quickly to cancel programming and then closed the Bruce County Museum & Cultural Centre as precautionary measures to help protect the well-being of our staff, residents and visitors to the Museum. You can rest assured that since we have been closed to the public, Museum staff continue to work behind the scenes to ensure that as soon as we are safely able to re-open we will be ready to welcome everyone back with a fully cleaned facility and much anticipated new exhibitions, events and programming.

I also wanted to take this time to inform you of several projects that are currently underway and, as things are constantly evolving, we are also changing the way we roll out these projects in our new virtual reality. The County of Bruce is undertaking the creation of a Cultural Action Plan (CAP) and an Archaeological Management Plan (AMP). We invite you to share your thoughts, ideas, and experiences with and about Bruce County’s rich arts, culture and heritage anytime on our website at planthebruce.ca/heritage; and, join us on April 2nd & April 3rd between 5:00 pm and 8:00 pm for a live Q & A click here to join.

The Bruce County Museum & Cultural Centre is also in the midst of developing our next 5 Year Strategic Plan and we want to hear from you. Please take some time to fill out
our online survey so we can hear your thoughts, ideas and comments on how we can continue to best serve you. You can participate through our survey by clicking here.

As always community means everything and we value the continued support of our members, partners, volunteers and visitors. During this time I hope everyone stays well and continues to connect with us through social media and our online survey. We look forward to the next time we are able to see everyone and in the meantime we will keep connected virtually!

Stay well, stay safe, stay home and if you have to go out remember stay 2 metres apart!
