Preparing to Re-open!

You have probably heard that Museums and Galleries are now part of the Province's Stage 2 re-opening plans. While this is correct there are still a number of restrictions in place and we are evaluating and planning for our re-opening to the public. The Bruce County Museum & Cultural Centre remains committed to providing a safe, welcoming and memorable experience. We will continue to follow Public Health guidelines in order to ensure a safe and healthy environment. At this time we don’t have an exact re-opening date, but will be sharing this information with you as soon as things are confirmed. We look forward to welcoming everyone back when we can safely do so! Until then, stay safe, stay well and stay connected with us through our social media channels.
