2.0 ADMINISTRATION

- 2.1 The cemeteries shall be governed by the terms of this by-law and the *Act*, as amended from time to time and associated regulations.
- 2.2 The Public Works Department shall record all sales of interment rights.
- 2.3 The Treasurer for the Municipality shall be the Treasurer for the cemeteries and shall be responsible for the proper receipt, disbursement and recording of all cemetery funds in accordance with Municipal and Provincial Policy as well as general accounting rules and principles.
- 2.4 All monies received for the care and maintenance of burial graves or Niches shall be placed in a trust fund in a chartered bank; such account shall be known as the “Cemetery Care and Maintenance Fund” referred to in this by-law as the “Care and Maintenance Fund” and shall be invested from time to time by the Treasurer in accordance with Municipal policy.
- 2.5 All interest and investment income received from the Care and Maintenance Fund shall be directed toward the ordinary expense of maintenance and improvement of the cemeteries, pursuant to Section 53, Subsection (4) of the *Act*.
- 2.6 It shall be the duty of the Superintendent(s) to supervise all work in connection with the cemeteries.
- 2.7 The Superintendent(s) shall submit to the Office of the Director of Public Works any information requested by the Director of Public Works.
- 2.8 The Superintendent(s) shall take complete charge of all workers in the cemeteries and be responsible for their conduct.
- 2.9 The Superintendent(s) shall be present at all funerals in order to ensure that the proper arrangements are being provided by the cemetery.
- 2.10 The Clerk is authorized to sign the contract (Schedule ‘D’) for purchase of interment rights on behalf of the Municipality.

3.0 RULES FOR INTERMENT RIGHTS HOLDERS

- 3.1 No person other than the Superintendent(s) shall remove any sod or in any other way change the surface of any burial graves in the cemeteries.
- 3.2 No person shall plant trees, flower beds or shrubs in the cemeteries except with the approval of the Superintendent(s) and any trees or shrubs now on burial graves which become, by means of their roots or branches or in any other way, detrimental to the adjacent burial graves, drains, roads or walks, or prejudicial to the general appearance of the grounds or inconvenient to the public, the Superintendent(s) may remove such trees or shrubs or parts thereof, but ninety (90) days prior to said removal, the Superintendent(s) shall contact the interment rights holder in writing at his/her last recorded address in the cemeteries’ records and provide the interment rights holder with the opportunity to make adjustments to rectify the problem, the cost of which is to be

assumed by the interment rights holder. Trees and shrubs shall be of an ornamental nature.

- 3.3 Flowers placed on a grave at a funeral shall be removed by the Superintendent(s) after a reasonable time to protect the sod and maintain a neat appearance of the cemeteries.
- 3.4 No interment rights holder or other person shall place any monument, marker, inscription, etc., on any burial grave or plot until all charges have been paid.
- 3.5 No interment rights holder or other person shall erect or place any enclosures of iron, wire, concrete or other materials on or around any burial grave.
- 3.6 No interment rights holder or other person shall cause any object such as benches, flower urns, trellises, artificial flowers, wood or metal stands or other objects including glass objects that will interfere with the workings of the mowers, etc., to be placed on a burial grave except from November 1st until the following April 15th when one metal holder or stand for a winter wreath may be used, but shall be removed by April 15th or be subject to removal and disposal by the Superintendent(s).

4.0 SALE OF INTERMENT RIGHTS

- 4.1 Interment rights shall be sold according to the existing plans of the various divisions and sections as approved by the Ministry of Consumer Services and as to future plans approved as new sections are opened, at a scale of prices as set forth by Council.
- 4.2 Interment rights holders acquire only the right and privilege of burial of the dead and of constructing monuments, or markers, subject to the rules and regulations in force and approved by the Ministry of Consumer Services.
- 4.3 The Mayor and Clerk, on payment of the sale price of interment rights, shall issue a Certificate of Interment Rights (Schedule 'E') upon which shall be affixed the Municipality's corporate seal.
- 4.4 Each interment rights holder shall abide by all the existing rules of the cemeteries and any rules and regulations which may hereafter be enacted by the Municipality and approved by the Registrar.
- 4.5 Care and maintenance shall be included in the purchase of interment rights.
- 4.6 Direction from interment rights holders shall be taken jointly or severally.
- 4.7 Resale of interment rights to a third party is prohibited.
- 4.8 The interment rights holder may cancel the contract under which the rights were purchased, before they are used, by giving the Municipality written notice of the cancellation. The Municipality will repurchase the interment rights within thirty (30) days after receiving the request. The repurchase price of the interment rights shall be based on the current Municipality of Kincardine Rates and Fees By-law, deducting the Care and Maintenance Fund contribution made at the time of purchase and such other amount as established by the Act.

All monies received by the Municipality will be refunded for unused interment rights if cancellation occurs within 30 days of entering the contract.

- 4.9 The Municipality is not required to repurchase unused interment rights in a plot (more than one lot) if any of the interment rights in the plot has been exercised.
- 4.10 In case of transmission of ownership by will or bequest of a lot, the Municipality reserves the right to require evidence sufficient to prove ownership.
- 4.11 The Municipality reserves the right to require an archeological assessment to satisfy that a burial grave is available for interment at the interment rights holder's expense.
- 4.12 Contracts for purchase of interment rights must be signed and paid in full prior to the issuance by the Municipality of a Certificate of Interment Rights.

5.0 TRANSFER OF INTERMENT RIGHTS

- 5.1 In case of transmission of ownership by will or bequest of a lot, the Municipality reserves the right to require evidence sufficient to prove ownership.
- 5.2 The Municipality reserves the right to require an archeological assessment to satisfy that a burial grave is available for interment at the interment rights holder's expense.
- 5.3 If an interment rights holder wishes to transfer interment rights to another person, without payment or other monetary consideration, the interment rights holder shall submit payment of the transfer of ownership fee along with a written notice to the Municipality requesting the transfer and identifying the name and contact information of the person acquiring the rights and any other information necessary to complete the public registry.
- 5.4 The interment rights holder who transfers the rights shall disclose to the person acquiring the interment rights the same information, with necessary modifications, as the Municipality is required to disclose to the interment rights holder.
- 5.5 The transfer only becomes effective upon notification from the Municipality.
- 5.6 Applications for the transfer of interment rights will be subject to such policies that may be established by the Municipality from time to time.

6.0 INTERMENT OR DISINTERMENT

- 6.1 Whenever an interment is to be made, the interment rights holder or his/her agent shall give written notice to the Superintendent(s) at least forty-eight (48) hours in advance giving all the particulars as to location and size of case. The Municipality shall not be responsible for having burial graves prepared for funerals unless such notice is given.
- 6.2 Winter storage is provided in the interment charges for the cemetery as set out in the current Municipality of Kincardine Rates and Fees By-law if required.
- 6.3 No interment or disinterment shall be made by the Municipality without satisfactory proof of interment rights being first produced.
- 6.4 The interment rights holder or his/her agent must present a burial permit issued by the Division Registrar, to the Superintendent(s) in attendance at the burial grave before an interment will be permitted.

- 6.5 No interment or disinterment shall take place unless all applicable interment charges and fees are paid.
- 6.6 No person, other than an employee or agent of the Municipality shall open any burial grave for the purpose of burial or removal.
- 6.7 Burials will only take place if weather conditions permit and with the approval of the Superintendent(s).
- 6.8 The Municipality assumes no responsibility for damages should burial lot be opened in the wrong location due to wrong or insufficient information and any expense in connection with an error of this kind shall be paid by the parties ordering the interment.
- 6.9 The interment rights holder or the agent of an interment rights holder shall arrange to arrive at the cemetery no later than 3:00 p.m. in order that the burial may be completed within the regular hours of work. Burials conducted outside of regular municipal work hours will result in an extra charge as set out in the current Municipality of Kincardine Rates and Fees By-law. If it is an agent, they must provide authority to act on behalf of the interment rights holder in writing or otherwise acceptable by the Superintendent(s).
- 6.10 There shall be one (1) interment per burial grave except cremated remains, four (4) of which may be placed above the original burial where permission has been granted by the interment rights holder.
- 6.11 The maximum interment for each burial grave shall be one (1) human remains and four (4) cremated remains or four (4) cremated remains.
- 6.12 The maximum interment for each cremation burial grave shall be two (2) cremated remains. Maximum interments for cremated remains into a Columbarium Niche is three (3). The Niche must have the ability to accommodate three urns (3) and is dependent upon the urn size and must be approved by the Superintendent(s).
- 6.13 Each burial grave shall be at least 1.75 metres deep.
- 6.14 The Municipality reserves the right to determine the number of grave openings that may be made in any burial grave resulting from the limitations imposed on the lot by use of oversized shells or vaults.
- 6.15 The Municipality limits its responsibility to the interment rights holder for lots that may unknowingly contain burials or cremations to that of transferring a replacement lot to the interment rights holder within the same cemetery.
- 6.16 No interment rights holder or other person shall make or cause any disinterment without the written consent of the local Medical Officer of Health except on an order from the court as provided for in the regulations under the *Act*. The interment rights holder shall assume any costs involved.
- 6.17 All fees for interment, disinterment, burial grave sale, monument maintenance, care and maintenance or any other fee charged by the cemeteries shall be outlined in the Municipality of Kincardine Rates and Fees By-law.
- 6.18 It is strongly recommended that a burial vault and cremation vault be used for all interments.

7.0 CARE OF BURIAL GRAVES

- 7.1 All burial graves in the cemeteries shall be cared for by the Superintendent(s) and shall include the mowing of grass, clipping around monuments and refilling sunken burial graves only.

8.0 RULES FOR VISITORS

- 8.1 The cemeteries are sacredly devoted to the burial of the dead, and the provisions of this by-law will be strictly enforced in all cases of disturbance, wanton injury to property, disregard of the rules of conduct unbecoming to a cemetery.
- 8.2 All visitors shall conduct themselves in a quiet, orderly manner and shall not disturb any service being held, by noise or other disturbances.
- 8.3 Visitors shall travel through the cemeteries by way of the roads and paths only and shall not walk or drive over the burial graves of others.
- 8.4 Children under twelve (12) years of age must be accompanied by an adult who shall remain in close contact with them and shall be responsible for their actions.
- 8.5 No person shall pick any flower or disturb any tree, shrub or plant within the cemeteries and shall not deface any monument, fence or other structure in or belonging to the cemeteries.
- 8.6 No person shall remove any flower or plant container or other object from a cemetery plot without receiving permission from the Superintendent(s) to do so.
- 8.7 No person shall carry or discharge firearms within the cemeteries' grounds except where used for the firing of volleys at a burial.
- 8.8 No person shall permit any animal of which they are the owner/handler, including dogs, to enter or remain in the cemeteries; except on municipal trails located within the boundaries of the cemetery. Service animals are exempt.
- 8.9 No person shall use the cemeteries for the purposes of a picnic, party or other large assembly.
- 8.10 When a society or association desires to hold a memorial service, they shall make application to do so to the Director of Public Works at least fifteen (15) days prior to the desired date and a permit shall be granted at the approval of the Director of Public Works. The association or society securing the permit shall be responsible for any damage done to property in the cemetery.
- 8.11 No person shall enter or leave the cemeteries except through an established access points, nor shall they enter or be within any cemetery after 7 p.m. and before 6 a.m. October 1 to March 31, or after 9 p.m. and before 6 a.m., April 1 to September 30. Authorized Municipal staff and law enforcement agents are exempt.
- 8.12 Any complaints by interment rights holders should be made at the Municipal Office. Controversies with workers or others on the grounds are to be avoided.

9.0 RULES FOR VEHICLES

- 9.1 The Superintendent(s) reserves the right to close the roads of the cemeteries at any time to vehicular traffic, due to maintenance, adverse weather conditions or when such traffic might substantially interfere with a committal service in progress.

- 9.2 The drivers of all vehicles entering the cemeteries shall obey the instructions of the Superintendent(s), and shall keep to the route allotted to them. They shall not attempt to turn around on any roadway or pass another vehicle and shall not exceed a speed limit of ten (10) kilometers per hour.
- 9.3 Vehicles forming part of a funeral procession shall take the route allotted to that funeral and shall move in unison with the Funeral Director in charge of the funeral.
- 9.4 Proprietors of vehicles and their drivers shall be held responsible for any damage done by them.
- 9.5 No person shall operate off road motorized vehicles, such as dirt bikes, all terrain vehicles or snowmobiles, within the cemeteries.

10.0 RULES FOR MONUMENT DEALERS, CONTRACTORS AND SUPPLIERS

- 10.1 Monument dealers, contractors and suppliers shall remove all implements or materials used in doing any work within the cemeteries without delay and if this is not done, the Superintendent(s) may remove same.
- 10.2 No monument dealers, contractors and suppliers shall enter the cemeteries without first informing the Superintendent(s) of the work which is to be performed.
- 10.3 No monument dealers, contractors and suppliers shall enter the cemeteries in the evenings, Saturdays, Sundays or statutory holidays, unless by special permission of the Superintendent(s).
- 10.4 The Municipality shall not be responsible for loss or damage to any portable articles left upon any burial grave lot.
- 10.5 Monument dealers, contractors and suppliers shall lay planks on the burial grave lots and paths over which heavy materials are to be moved, in order to protect the surface from injury.
- 10.6 Any monument dealer, contractor or supplier who damages any burial lot, monument, marker or other structure or otherwise does any injury in the cemeteries shall be personally responsible for such damage or injury.

11.0 MONUMENTS AND MARKERS

- 11.1 The safety of all monuments will be the responsibility of the Municipality.
- 11.2 No person shall erect a monument or marker on any burial grave until all outstanding charges have been paid.
- 11.3 No person shall inscribe a monument except for the surname of the interment rights holder shall be inscribed in the rear side of a monument, unless owned by the same interment rights holder.
- 11.4 Monuments, markers or other structures or any inscriptions must, in the opinion of Council, be in keeping with the dignity and decorum of the Cemetery.
- 11.5 No monument shall cover more than ten (10) percent of the total area of the burial grave or burial grave on which it is erected.
- 11.6 No monument will exceed one hundred and twenty (120) centimetres in height, from ground level to the top of the monument.

- 11.7 Any slabs or markers used shall be placed flat and sunk into the ground so that the upper surface shall be level with the sod.
- 11.8 All monuments must be of granite or marble.
- 11.9 Stones and monuments shall be free from visible defects with respect to quality or endurance.
- 11.10 All bases of monuments must be level on the bottom, and the stonework next to the foundation shall have the surface squared, so as to allow full bearing upon the foundation; and no building up or underpinning with chips will be allowed. Cleaning or restorative procedures undertaken by a party other than the Municipality must first have the approval of the Municipality to ensure the techniques used are acceptable and within the guidelines of the Act.
- 11.11 The size of the base of the monument and the location of the monument on the foundation shall be approved by the Superintendent(s) prior to installation.
- 11.12 A marker shall be attached to the base so that a uniform border six (6) centimetres wide is shown on all sides. The marker shall be attached securely by four (4) or more fasteners to a concrete, granite or natural stone base or place in a concrete slab that is not less than nine (9) centimetres and not more than thirteen (13) centimetres thickness.
- 11.13 No person shall remove, inscribe or clean any monument, gravestone or memorial of any kind without obtaining permission from the Superintendent(s) and without first producing a letter in writing from the interment rights holder giving permission and a full description of the work proposed.
- 11.14 Columbarium granite niche plates being 12 inches x 12 inches and 14 inches x 14 inches shall be engraved with all inscriptions being consistent and by approval of the Superintendent(s).
- 11.15 In accordance with Part VI of the *Act*, a prescribed amount shall be paid into the Care and Maintenance Fund of the cemeteries upon the installation of a marker. The prescribed fees are set in the Municipality of Kincardine Rates and Fees By-law.
- 11.16 In accordance with O. Reg. 30/11, s. 159 (1) of the *Act*, if a marker or monument in the cemetery presents a risk to public safety because it is unstable, the Municipality shall do whatever is necessary by way of repairing, resetting or laying down so as to remove the risk.
- 11.17 No person shall drive a vehicle in the cemeteries when the roads are blocked off by barriers.
- 11.18 Port Bruce Cemetery Monuments and Markers – see Schedule ‘A’.
